Lot Number: 183
Horse: So You Think x Topshopper bay/brown colt 2016
Brands n.sh: Q fern conjoined over scroll dot off.sh: 68 over 6
Pedigree as in the catalogue.

At the request of Jamie Walter of Proven Thoroughbreds a post-purchase veterinary examination of the above horse was undertaken at the Inglis Riverside Sales Complex, Warwick Farm, NSW on 12/02/2018.

Clinical Examination

The clinical examination included heart auscultation, ophthalmic eye examination, teeth examination, limb flexion and joint palpation which were normal. The sheath and testes were normal in appearance and the testes normal on palpation. There was no evidence of previous abdominal surgery, infection or disease, laminitis or ataxia.

A lateral splint under the left fore knee was settling.

The horse was in very good health (condition score 3).

The horse was examined at rest and at the walk only.

This was a medium-sized, neat, strong colt (DOB 28/09/2016) with a good attitude and an enthusiastic, active walk who turned well to both left and right.

In my opinion, at this time, the colt presented as suitable for purchase as a racehorse as can be determined from the examination performed as described. The horse is suitable for public syndication and mortality insurance.
